

BOTANIC BLONDE

Opalescent straw-yellow in color. The head is white, light and evanescent. It has intense aromas of grains with elegant notes of bread crust, accompanied, by scents of Cannabis sativa.

When sipped, the clean body surprises with its freshness and persistent balsamic notes. The barley malt aroma emerges and creates a perfect balance with the mix of botanicals in the recipe. In the finish, the pleasant bitterness from the gentian root and the fresh, lingering balsamic note leave the mouth clean and make the beer very pleasant to drink.
